Maintaining equipment and quality of life

Since the inception of the NDIS ActivTec Solutions has worked closely with providers as well as directly with participants to help keep people mobile, independent and active.

By providing comprehensive and professional medical equipment maintenance we help NDIS participants maintain the best life outcomes possible.

Our expert technicians and friendly customer care staff will make sure you get the help you need when you need it.

We can service any make or model of medical/mobility equipment as we are brand neutral - we are a one-stop shop no matter what equipment you have.

We service a range of equipment including:

- Floor and Ceiling Hoists
- Medical Beds
- Manual and Power Wheelchairs
- Commodes
- Mobility and Manual Handling Equipment

We have worked with countless NDIS Providers since 2005, including:

- Capital Guardians
- Footprints Community
- Leap In! Plan Management
- Made to Measure Services
- Muscular Dystrophy QLD
- Mobile Rehab
- Reliable Nursing
- Square the Spiral

Service you can trust

“Judd visited us today, went through all the issues we had with a wheelchair and gave a quick training session on how to adjust a headrest. Very knowledgeable and friendly. Highly recommend”

Annie Tracey, NDIS Participant

“Devin, the awesome Technician from ActivTec Solutions is the kind hearted genius you need for truth and efficiency. Winston and Ash also have helped me with unbelievably fast responses and equipment results, this company goes beyond caring. Thank you ActivTec Solutions!”

Dean Pusell, NDIS Participant
